

The Year of the Nurse & the Midwife 2020-2021

Calling all emerging nursing and midwifery leaders!

Join over 27,000 nurses and midwives from across the globe who have accepted the challenge to become the next generation of health influencers and leaders

There is a wide range of opportunities across the SESLHD to equip and empower the next generation of nurses and midwives as leaders, practitioners & advocates in health

For more information, a full range of leadership programs and offerings and to accept the Nightingale Challenge, scan the QR code below
