Calmbirth

With Knowledge Comes Confidence.

Calmbirth is a childbirth education program that runs over two-days. It prepares couples mentally, emotionally and physically for the birth of their baby. Calmbirth understands the interrelationship between the mind and body – *how our bodies react to how we think* - Calmbirth uses this mind- body connection to take away the fear, stress and anxiety about giving birth by **empowering** pregnant couples with the **knowledge** and **skills** to birth their baby **calmly, fearlessly and confidently**. Couples can use their knowledge and skills learnt in Calmbirth to meet any birthing challenge they encounter calmly.

Suitable for first time or subsequent births, Calmbirth is the '**leading**' childbirth education program that revolutionised childbirth education in Australia. Successfully operating since 2004, Calmbirth has stood the test of time. Calmbirth has definitely earned its credibility and reputation in the child birthing industry and is highly recommended by obstetricians and midwives throughout Australia. Calmbirth also continues to successfully evolve as the research progresses. This program is also the first of its kind to be clinically and scientifically proven.
