The South Eastern Sydney Local Health District La Perouse Aboriginal Community Health Centre runs a designated Aboriginal / Torres Strait islander culturally appropriate Aboriginal Aged Care Clinic for people over 50 years. The Aboriginal Aged Care Clinic is supported by an Aboriginal Health Worker.

**The clinic runs twice per month**

Please contact your Aboriginal Health Worker for more information regarding clinic dates and times.

---

**How to become a participant:**

- Your Doctor or Aboriginal Health Worker can send you along
- Call the Access and Referral Centre on (02) 9369 0400 to register yourself

---

**How we can help:**

- Developing aged care plans
- Managing memory changes
- Dementia information
- Aged care behavioral issues

---
