Aged Care Psychiatry Service
Eastern Suburbs
Mental Health Service
Prince of Wales Hospital

Aged Care Psychiatry Service is situated in the Euroa Centre at the Prince of Wales Hospital. Its multidisciplinary team specialises in the assessment, management and care of:
- People aged 65 years and over who have a psychological disorder or mental illness.
- People who are experiencing acquired cognitive deficits or dementia.

The Aged Care Psychiatry Service has 6 acute-inpatient beds in the Euroa Centre and provides consultation/liaison mental health services to the geriatric medical services at Prince of Wales and War Memorial Hospitals. Assessment and management of people who are living at home or in a residential aged care facility is provided by the multidisciplinary team consisting of psychiatrists, psychologists, nurses, social workers, occupational therapists and an acute / sub-acute community outreach nursing program - Community Outreach Psychiatry for the Elderly (COPE).

The service provides:
- Assessment and diagnosis of mental health and cognitive disorders.
- Behavioural Assessment and Intervention Service (BASIS) for people experiencing Behavioral and Psychological Symptoms of Dementia.
- Assistance to families and carers.

Area served: Randwick, Botany, Waverley and parts of Woollahra and Inner Sydney.
