

Cross Cultural Worker in Maternity and Child & Family Health Services for The Royal Hospital for Women

**FREE service for women and families from
overseas with or without Medicare**

The Cross Cultural Worker:

- Provides support and assistance during pregnancy, postnatal, and until a child is 5 years of age (residing in the SESLHD area).
- Provides culturally appropriate information and education on pregnancy and parenting.
- Links women and families to pregnancy, child and family health services and community supports.
