

REGISTERED NURSE GRADSTART 2026

Prince of Wales Perioperative Stream

WHY CHOOSE US?

The Nursing Team at Prince of Wales is committed to the vision of transforming person-centred care together. To achieve this we enable our nurses to practice at their highest level in environments that support safe, person-centred care.

At Prince of Wales, we promote a unified, inclusive community of nursing that embraces CORE values that start with putting the person at the centre of everything we do. We are motivated to create the future of nursing and trust by working together we collaborate to achieve shared success.

We promote nurses to incorporate evidence based practice and seek opportunities to enhance practice through identified career development pathways. We also acknowledge the importance of focusing on supporting your wellbeing.

I look forward to sharing your nursing professional journey here at Prince of Wales and I wish you continued success and happiness as you progress your career ambitions.

Karen Tuqiri, Director of Nursing

OUR HOSPITAL

Prince of Wales Hospital and Community Health Service is a Level 6 Tertiary Referral Hospital with an inpatient bed base of 440. Each year we care for more than 60,000 patients in our Emergency Department and have around 50,000 admissions to the inpatient units. POWH offers outpatient and rural outreach services and provides more than 900,000 non-admitted patient care occasions each year, including innovative virtual models of care. We have transitioned the majority of inpatient units and wards to the Acute Services Building (ASB), including a state-of-the-art Emergency Department and Intensive Care Unit. POWH provides an exceptional staff experience and enhanced patient and family outcomes as a result of the provision of person-centred care.

PERIOPERATIVE STREAM

Perioperative nursing provides care for the patient during the pre-operative, intra-operative and post-operative stages of surgery with an awareness of human dignity and physical, emotional and spiritual needs. Within the GradStart program, you will gain experience in instrument/ circulating, anaesthetic, or recovery nursing in a diverse range of clinical specialties.

The Randwick Campus Operating Suite (RCOS), based at Prince of Wales Hospital, is unique in providing care to Prince of Wales Hospital, Sydney Children's Hospital and the Royal Hospital for Women patients. RCOS comprises 18 operating rooms and a hybrid theatre. An additional 12 theatres are soon to open in the new Acute Services Building as part of the hospital redevelopment.

What we offer:

- A person-centred, friendly, caring and supportive workplace
- A comprehensive perioperative introductory program (PIP)
- A dedicated preceptorship program
- Ongoing support from a wide range of clinicians and experts in their field, both in and after-hours
- An extended hospital, nursing and clinical orientation/ induction program, including supernumerary time
- Protected education time
- Graduate nurse-focused workshops
- Clinical reflective supervision
- Recognition of prior learning / Masters participants / ENs

and previous work in health

- Individualised career development pathways
- Portfolio development
- Performance development feedback
- Specialty Clinical learning objectives
- Facilitation of learning
- Clinical competency assessments
- Specialty workbooks
- Shared decision making
- Clinical research involvement
