Registered Nurse GradStart

Calvary is operated by Calvary Care, a service that continues the Mission of the Sisters of the Little Company of Mary, with the values of hospitality, healing, stewardship and respect.

Welcome to Calvary!

About us

Calvary Health Care Kogarah is a public hospital providing specialist Palliative Care Services and Rehabilitation Services to the local St George and Sutherland Shire regions and extensive Community Health Services to the St George region. Calvary sits within South Eastern Sydney Local Health District as an affiliated organization.

Calvary is one of the largest sub-acute hospitals in NSW serving approximately 12,500 patients per year.

The hospital is set within lush and private gardens to enhance the wellbeing of our patients, their families and our staff.

In line with our values of hospitality, healing, stewardship and respect Calvary is committed to the health, safety and wellbeing of its workers, patients, volunteers and visitors alike.

Calvary is also committed to minimizing the impact on the environment.

Learning opportunities

Calvary Healthcare offers a well-supported and comprehensive GradStart program for newly graduated Registered Nurses with opportunities including:

- Development of specialized skills in rehabilitation and palliative care nursing
- Development of skills for working within a multidisciplinary team
- Management of patients with complex symptoms
- Development of knowledge and skills in pain management
- Utilisation of holistic assessment skills
- Participation in ongoing skill competencies and knowledge development.

Commencement dates

The proposed commencement month is February.

Transition Framework

Calvary provides a twelve month, full time GradStart program in a nurturing and encouraging environment. Our supportive and challenging program will give you the opportunity to develop and consolidate your clinical skills thus providing you with a fulfilling introduction and firm foundation to your ongoing career as a Registered Nurse. During this time you will be supported by the Calvary nursing team including Nurse Managers, Nurse Educators and the broader Calvary staff. You will receive a comprehensive General Orientation and Clinical Orientation Program and supernumerary days at the commencement of each rotation. Throughout your transitioning year you will receive regular in-service education and clinical supervision sessions.
