

# Leading Person-Centred Compassionate Care

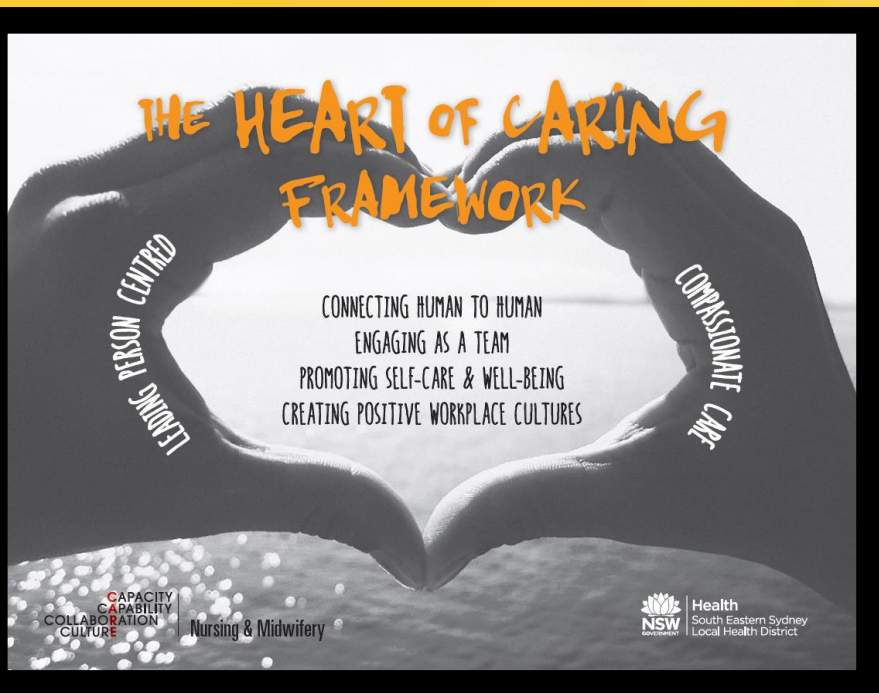

## Nursing & Midwifery Leadership Teams

This interactive workshop aims to enhance the capabilities of Nursing and Midwifery Leadership Teams (NMLT) in leading Person Centred Compassionate Care & Influencing Workplace Culture

Teams will explore & co-create:

- ♥ their shared values & vision to guide collaborative practice & communication
- ♥ enhancing role clarity in teams
- ♥ enhancing personal & team resilience & wellbeing

Follow-up coaching/facilitation will be provided to support teams with their action planning process and further explore the elements of leading person-centred compassionate care

For further detail regarding 2020 scheduled dates please contact the SESLHD Nursing & Midwifery Practice & Workforce Unit via e-mail:
