Our strategic priorities

**SESLHD STRATEGY**
South Eastern Sydney Local Health District Journey to Excellence Strategy 2018-2021

**Safe, person-centred and integrated care**
- Everyone in our community will have access to safe, compassionate and high quality healthcare. That care should be provided either at home, or as close to home as possible
  - Decrease the hospital standardised mortality ratio by 5% each year
  - Increase the number of staff using systems to review data
  - Decrease adverse events by 10% each year
  - Improve patient satisfaction of care by 20% each year
  - Reduce emergency department presentations by 5% each year
  - Decrease the percentage of patients admitted to the emergency department by 5% each year

**Workforce wellbeing**
- We will create an environment where our people will be accountable and can be happy, well and supported to reach their potential
  - Increase percentage of staff who recommend SESLHD as a place to work by 10% each year
  - Increase percentage of staff who recommend SESLHD as a care setting by 10% each year
  - Increase the number of staff who have had a performance review by 10% each year
  - Decrease absenteeism by 5% each year
  - Reduce workers compensation claims by 10% each year

**Better value**
- We will deliver value to our patients and community through maintaining financial sustainability and making investments consistent with our vision
  - Increase the number of hours given back to patients and the community e.g. reduce waiting times/reduce number of visits
  - Shift care into the community or outpatient settings
  - Operate within the budget allocated to the organisation
  - Increase community reporting of good health by 5% (proportion of population self-reporting health as ‘good’ or ‘better’)
  - Increase the number of children reaching developmental milestones at 18 months and four years by 5%
  - Reduce discrepancies in median age of death between geographic areas and priority populations
  - Decrease the rate of preventable hospitalisations due to long-term and vaccine-preventable conditions by 5%

**Community wellbeing and health equity**
- We will work together with our partners to achieve health, wellbeing and equity for our shared communities
  - Increase staff participation in research/innovation education and training
  - Increase references to research/innovation outcomes based in SESLHD in the media
  - Increase overall research/innovation funding
  - Increase the number of translational research projects
  - Increase the number of SESLHD submissions to innovation awards
  - Increase the number of projects that use SESLHD Big Data

**Foster research and innovation**
- We will focus on translating research and innovation into clinical service models that deliver positive health outcomes
  - Increase staff participation in research/innovation education and training
  - Increase references to research/innovation outcomes based in SESLHD in the media
  - Increase overall research/innovation funding
  - Increase the number of translational research projects
  - Increase the number of SESLHD submissions to innovation awards
  - Increase the number of projects that use SESLHD Big Data

**Enablers**
- Partnerships that deliver
- Responsive Information Management Systems
- Data & Analytics
- Fit for purpose infrastructure
- A culture of continuous improvement
