Dear Sir/Madam.

This letter is to confirm that you have equipment on temporary loan with the Prince of Wales Equipment Loan Pool (ELP). The details and loan items are on the back of this letter.

#### **Loaning the Equipment**

All equipment loans through the ELP are for a three (3) month period with a total cost of \$50. You are required to make payment within 4 calendar weeks of application start date. There are some services that exempt from loan payment for the initial three month period. Please speak to your clinician who will advise you whether you need to pay for this loan.

If equipment is not suitable you must advised the ELP within 5 days of the start date of application via email to <a href="mailto:sessle-sub-EquipmentServiceNorthernSector@health.nsw.gov.au">sessle-sub-EquipmentServiceNorthernSector@health.nsw.gov.au</a> If you have questions about using the equipment safely, contact your clinician as soon as possible. Their details are on the back of this letter.

#### Caring for your loan equipment

During the loan period, you are responsible for any damage or loss to the equipment beyond normal wear and tear. This means you must pay for all repairs and equipment replacement where applicable.

#### Returning your loan equipment

When you are finished with the equipment or the three-month loan period has passed (whichever comes first), please call our office on (02) 9382 8245 or send an email to <a href="SESLHD-EquipmentServiceNorthernSector@health.nsw.gov.au">SESLHD-EquipmentServiceNorthernSector@health.nsw.gov.au</a> to arrange equipment return or equipment purchase (not all equipment is available for purchase). We are located in the Edmund Blackett Building at the Prince of Wales Hospital (off Avoca Street) for returning equipment. Our opening times are listed above.

#### Collection and delivery of equipment

We can provide equipment delivery and collection services for clients with mobility challenges who do not have a caregiver or support person. Our driver will deliver or pick up the equipment at the front door but is unable to assist with installation or removal of equipment inside the home. Please notify us in advance of any circumstances that may affect the delivery or collection process, such as access through a side entrance, the presence of pets, or individuals in the home with a history of aggressive behaviour.

Please call our team on (02) 9382 8245 or email to <u>SESLHD-</u> EquipmentServiceNorthernSector@health.nsw.gov.au with any questions or if you need more information.

Kind Regards,

The Prince of Wales Equipment Loan Pool
