Finding us

The Royal Hospital for Women is co-located with Sydney Children's Hospital and Prince of Wales Hospital at the Randwick Hospitals Campus.

Public pay parking is available directly under the hospital and is easily accessed via the Barker Street entrance.

The car park lifts bring you to level 0. Follow the signs to the Royal Hospital for Women and the Department of Reproductive Medicine.

About us

The Department of Reproductive Medicine at the Royal Hospital for Women sees women and men from the public and private sectors, for a broad range of services.

All clients are Medicare billed.

We co-ordinate a broad multidisciplinary team of clinicians, midwives, surgeons, andrologists and social work.
