Transport Accessibility Guide

Walking, cycling and public transport

Getting to The Royal

Bus and walk

Walking time to the hospital is:

6 minutes from bus stops on High St, outside the Children's Hospital Emergency entrance (F7),

7 minutes from bus stops on Perouse Rd near Cuthill St (I15).

For transport information, visit www.transportnsw.info.

Bike

Bike racks are located at the hospital campus. For locations, see overleaf.

Taxi

Taxi ranks are available at Prince of Wales Hospital entrance on High Street and the Royal Hospital for Women entrance via Barker St/Easy St.

Taxis Combined: **133 300**

Premier Cabs: **131 017**

Interstate Visitors

The hospital is a short 5km taxi journey from Sydney Airport. Taxi ranks are located at all domestic terminals.

Parking

Paid parking is available on site. Access is via the Barker Street entrance. Limited disabled parking is available on site. Limited timed free street parking is available.

Disabled Access

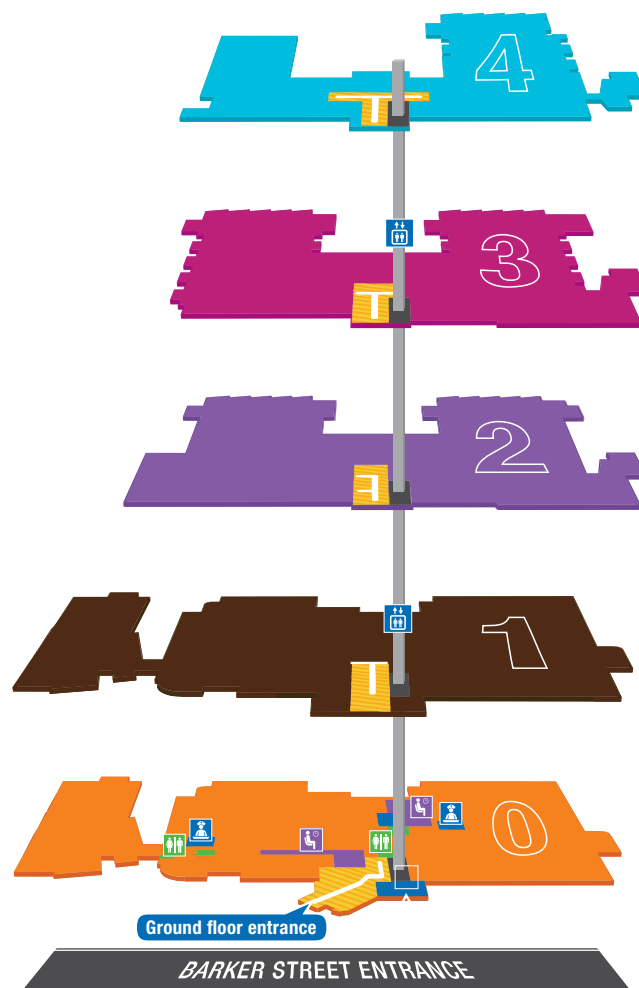

Wheelchair accessible buses operate on most of the bus routes listed. However, it is recommended that you call the Transport Infoline on **13 15 00** prior to your trip to confirm.

Visit transportnsw.info
