

Direction to TSH Respiratory Function Test Laboratory

From the Main Entrance

- Enter the hospital through the Main Entrance.
- Continue straight ahead along the corridor.
- Pass the Life Grain Café on the right and the Lifts on the left.
- Walk to the end of the passageway and turn right.
- Follow the corridor past Southern Heart Clinic until you reach Nuclear Medicine.
- Follow signs for "RADIUS."
- At Nuclear Medicine, the corridor swerves left. Continue past Biomedical Engineering to the end of the hallway.
- The Lung Function Laboratory Office is located just before the double doors on the left (marked by a large internal window).

** Approximate Distance: 300 meters from the Main Entrance to the Respiratory Laboratory.*

** If a wheelchair is required, please ask for assistance at the Front Desk of the hospital near the Main Entrance.*

From the Rear Entrance (near Ambulance Station)

- PFT Lab is immediately to the right of the entrance passed the reception.
