**DESCRIPTION OF SERVICE**  
The SOS is a multidisciplinary rapid response community team for the ageing population over 65 years* or >50 years for the Aboriginal and Torres Strait Islander population. * > 16 years for clients referred by the RADIUS unit only.

The SOS provides short term acute and sub-acute clinical interventions for a maximum of six weeks. The aim of the SOS is to provide safe and effective interventions to allow clients at risk of presenting or re-presenting to the Emergency Department (ED)/Hospital to remain at home. The SOS integrates and coordinates clients care with their GP and executes care plan requirements including referral on to services to ensure clients can remain safe at home.

The multidisciplinary team includes Nursing, Physiotherapy, Occupational Therapy, Social Work and Geriatrician working in partnership with General Physicians (GPs).

**REFERRAL CRITERIA**  
Clients suitable for referral to the Southcare Outreach Service:

- Reside in the Sutherland Shire catchment area.
- Are over 65 years* or >50 years for Aboriginal and Torres Strait Islander clients. * > 16 years for clients referred by the RADIUS unit only.
- Are at risk of presenting to ED or re-presenting to ED within 48 hours.
- Have goals that can be addressed by a multidisciplinary team in the client’s home.

Exclusion Criteria:
The following clients are excluded:

- Clients admitted in Hospital. Referrals are not taken for admitted in-patients. Referrals are only taken for clients being discharged from the Emergency Department, short stay unit or RADIUS unit.
