Graduate Certificate in Clinical Nursing ACU/Sydney Hospital and Sydney Eye Hospital

This program is designed specifically for RNs who want to learn more about the care and management of people with ophthalmic disorders. SSEH has collaborated with **ACU** to design this degree which will help develop your knowledge and skills so that you can provide specialised care to people with ocular problems.

Ophthalmology Nursing 1 and 2

Subjects are facilitated by the CNC Ophthalmology SSEH. The course is delivered online exclusively.

Register at ACU to complete Two Core subjects.

NRSG 524 - Advanced Pathophysiology for Specialty Nursing Practice

.....
NRSG 525 - Evidenced based Family Care in Specialty Nursing.
