During your appointment

- You will see the nurse or orthoptist as close to your appointment time as possible. Sometimes emergencies may occur and cause delays.
- **Please allow at least 2 hours for your visit.** If you become worried about the waiting time, please speak to staff.
- **We may need to give you eye drops during your appointment.** These eye drops will make your eyes blurry and sensitive to bright lights for several hours. **You will not be able to drive.** Bringing sunglasses with you will be helpful.
- Before you leave you must go to a **reception desk to book your next appointment.** If you need an interpreter, please let the clerk know and they book one for your next visit.
- You may need more than one appointment to have tests completed & see a doctor. These appointments may occur on different days.
