Opportunities at Prince of Wales Hospital

KAREN TUQIRI DIRECTOR OF NURSING

The Nursing Team at Prince of Wales is committed to the vision of transforming person-centred care together. To achieve this we enable our nurses to practice at their highest level in environments that support safe, person-centred care.

At Prince of Wales we promote a unified, inclusive community of nursing that embraces CORE values that start with putting the person at the centre of everything we do. We drive to create the future of nursing and trust by working together we collaborate to achieve shared success.

We promote nurses to incorporate evidence based practice and seek opportunities to enhance practice through identified career development pathways. We also acknowledge the importance of focusing on supporting your wellbeing.

I look forward to sharing your nursing professional journey here at Prince of Wales and I wish you continued success and happiness as you progress your career ambitions.

Prince of Wales Hospital

Prince of Wales Hospital is a 440 bed tertiary referral facility with specialties unique to this campus such as hyperbaric medicine, acute spinal cord injuries and interventional neuroradiology. Each year we support approximately 58000 emergency presentations, 50000 admissions, 2500 operations and thousands of outpatient treatments. We provide a 24 hour Emergency Department (ED) supported by an Intensive Care Unit and pioneering telehealth facilities in telestroke and COVID-19, connecting the team in Randwick with specialists across NSW Health. A new Acute Service Building has recently opened with state of the art modern facilities. POWH provides an exceptional staff experience and enhanced patient and family outcomes as a result of the provision of person-centred care.

Transition to Enrolled Nurse Program

Prince of Wales Hospital offers a Transition Enrolled Nurse program encompassing a diverse range of clinical specialties. The Transition Enrolled Nurse will rotate through two clinical settings over a 12-month period, providing exposure to a wide range of specialties including Cardiac, Cancer, Renal, Dialysis, Respiratory Medicine, Infectious Diseases, Surgery (General, Orthopaedic, Urology, Vascular, ENT, Head/Neck, Plastics, Ophthalmology), Spinal, Aged Care, Rehabilitation, Neurosciences & Medical Imaging. Following your Transition Enrolled Nurse Program we offer support regarding the next steps in your nursing career.

Commencement dates

There are two intakes scheduled in the next 12 months.

Commencement intakes are in:

- October 2024
- February 2025

EDUCATIONAL OPPORTUNITIES

POWH prides itself on maintaining a commitment to lifelong learning. We are dedicated to providing point of care supervision with preceptorship models, ward clinical nurse educators and after hours support. Educational opportunities are available to staff across all levels of nursing. All units have a professional development pathway with specialty specific and professional development educational opportunities highlighted along the way.

TRANSITION THURSDAYS

These are weekly educational sessions held on a Thursday 2.30-3.30pm. This is protected teaching time at POWH for Transition nurses & it is expected you will attend a minimum of 12. The primary focus of these sessions will be on current clinical practice in a variety of settings. Topics covered include:

- Clinical skills
- Case studies
- Reflective exercises
- Clinical practice updates
- Career opportunities

The sessions will be recorded and available on the Nursing Intranet & MedApp.

ENROLLED NURSE DEVELOPMENT DAY

This full day workshop covers a variety of clinical and non- technical skills to develop Enrolled Nurses to be reflective, professional & confident practitioners.
