

Wolli Creek Hub

Supporting women, children and families

The Wolli Creek Hub is a one-stop-shop for health, development and wellbeing services for children, families and women living in and around Wolli Creek. We are committed to improving the health of women, children and families by providing early intervention and prevention services.

We are currently offering these services for people living in the local area:

Child and Family Health Nursing Service-

- Growth and Development Checks 0-4years
- Support with infant feeding

Cross Cultural Workers (for migrants, refugees, international students)-

- Support & education during pregnancy and for children 0 to 5 years
- Assistance to navigate services

Karitane-

- Parenting support for children 0-5 years
- Parenting groups and workshops

St George Hospital Maternity Services-

- Pregnancy care
- Antenatal appointments

Women's Health Program-

- Women's health screening
- Women's health education
