Domestic violence is wrong

Punching you or hurting your body is wrong.

Threatening you or making you feel scared is wrong.

Forcing you to do sexual things when you don’t want to is wrong.

Controlling your money is wrong.

Stopping you from seeing your friends or family is wrong.

Domestic violence hurts your life

Domestic violence hurts your health.

Domestic violence can make you feel scared and alone.

Domestic violence hurts children too.

Domestic violence can happen to anyone.

You do not have to live with domestic violence.

You can get help. There are lots of things you can do. You can:

Call the police if you are in danger or scared.

Call a domestic violence service to find out more about what you can do, or to talk with someone about the violence.

Tell someone you trust – a friend, your GP or a health worker.

Go to a safe place, like a refuge for women and children.

Use the law to protect you and your children.

Make a safety plan in case you and your children have to leave home quickly.

You can get help. You have the right to be safe.
Domestic violence can happen to anyone. You can get help. You have the right to be safe.

Domestic violence hurts children too.

Domestic violence is wrong.

is when someone you are in a past or present relationship with:

• assaults you physically or sexually and/or
• abuses you verbally, emotionally or psychologically and/or
• controls all the money and/or
• stops you from seeing your family or friends.

Domestic violence is when one person in a relationship uses violence or abuse to cause fear and get control over the other person.
